

Dear Hiring Manager,

I am writing to express my interest in this opportunity. With over 9 years of experience as a Data Engineer, I have built scalable data pipelines and cloud-native data platforms across AWS, Azure, and GCP. My expertise includes developing high-performance ETL/ELT pipelines using Apache Spark, Python, and Airflow, as well as designing modern lakehouse and data warehouse architectures with Databricks and Snowflake.

I am passionate about building reliable data platforms that enable analytics, business intelligence, and data-driven decision-making. I would welcome the opportunity to contribute my experience and technical skills to your team.

Sincerely,
Ali Bangash
